- Daybed, desk with chair, closet and various storage areas.

Personal Guest Service

Our house is designed to delight our guests with personal service and care. Our four collegiate **tutors and our house management are multilingual** and are available to you throughout your stay. You will find our reception desk on the first floor, where your comfort is ensured right from the moment you arrive.

The second floor has **a common room with integrated kitchen**. Here you can quickly become acquainted with other guests and thus experience the unique international character of our house.

Additionally, we offer you

- sufficient **parking lots** in our affiliated underground garage.
- **washing machines and tumble dryers** for a fee
- **bed linen and towels**, which you can frequently change
- our **sauna** for your recreation on fixed dates
